Bright and sunny, with huge windows and high ceilings, this corner apartment puts you at the center of prime Chelsea. Directly across from Cafeteria and Barney's, you are always steps from the action, but with Citiquiet windows throughout the apartment, you won't hear any of it. The windowed kitchen was recently renovated, and features Viking appliances and a fully vented hood. With overall dimensions of 36'x16', the corner living/dining room/kitchen boasts truly loft-like proportions, with windows that run almost the full south/east perimeter, flooding the entire space with light. The master bedroom is equally endowed, at nearly 22 feet long, with a generous walk-in and three additional closets. Two guest bedrooms, vented full size washer/dryer, a full bath and powder room finish off this rare Chelsea offering.
