Featured in [ELLE Decor Magazine](#). A very rare find, this sun-flooded Noho loft features a complete and thorough gut renovation, creating a truly free flowing space. Architect Jack Wettling was given carte blanche in the construction process, and the quality shows with millwork and doorways carried up to the ten-foot-plus ceilings, custom built-ins and cabinetry, elegant marble bathrooms, top-tier fixtures and appliances, handsome wenge flooring, a Sonos sound system, reinforced sound-proofed walls, dual zone HVAC, separate storage room and a generous laundry room with vented Washer/Dryer.
